- medal
- relay
- stadium
- world record

You can look at Unit 2 for other question structures

You can look at Unit 3 for other words and phrases related to sports

5 Check Try your questions out on your partner. Then, make any revisions needed.

6 Go! In your class, put everyone's questions in a box. Each pair of students should take turns to pick a question to answer until all the questions are picked. The pair with the highest number of correct answers wins the quiz. Good luck!

If you pick your own team's question, put it back and pick another one.

Why not create your own sports quiz video?
