2. Email from Mrs Lau to Bobby Chau

Hi Bobby

Can you please complete the notice that we're going to send out to parents to tell them about the school camp? I've written most of it but you'll need to fill in a few details.

For example, I've checked with the camp staff — campers will need to bring their own 4.10 sleeping bag & sleeping mat because the centre won't provide any bedding. Also, because the paths are quite rough, everyone will need a good 4.9 backpack — please remind parents that 4.12 luggage with wheels is not going to work!

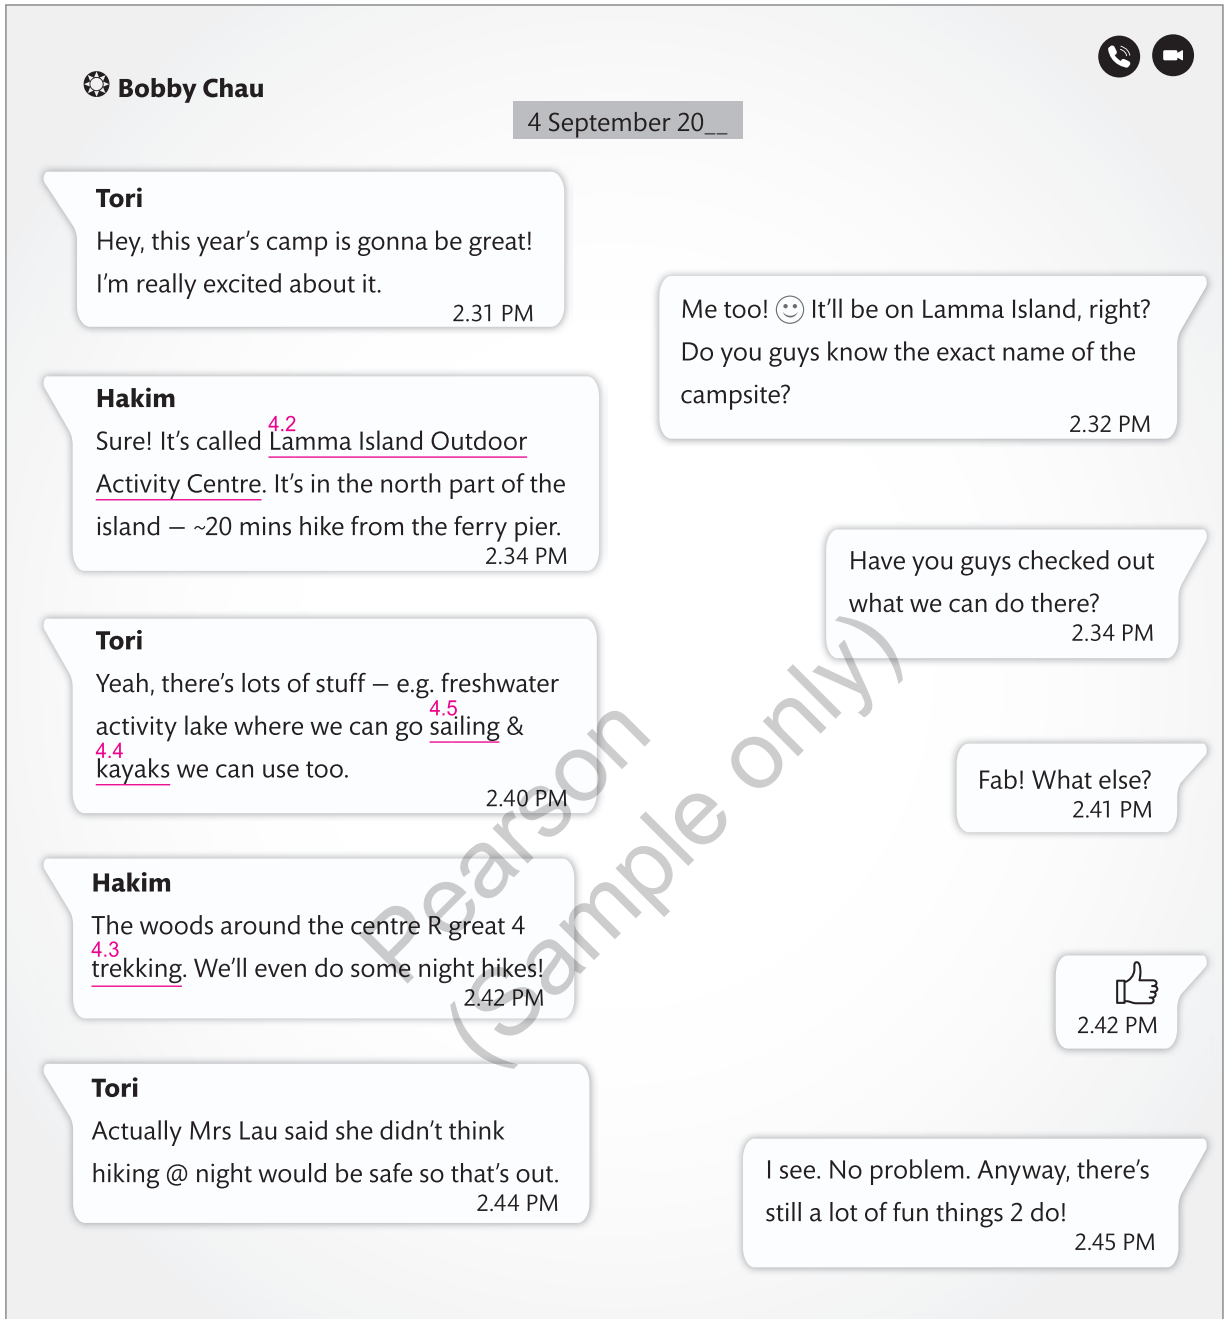

Let me know if you have any problems.

Thanks

Mrs Lau

PS Hakim and Tori have been sorting out what we'll be doing at the camp, so get in touch with them for information about the activities.

Hey, this year's camp is gonna be great!
I'm really excited about it.

Sure! It's called ^{4.2}Lamma Island Outdoor Activity Centre. It's in the north part of the island – ~20 mins hike from the ferry pier.

Tori
Yeah, there's lots of stuff – e.g. freshwater activity lake where we can go ^{4.5}sailing & ^{4.4}kayaks we can use too.

Hakim
The woods around the centre R great ^{4.3}trekking. We'll even do some night hikes!
2.42 PM

Tori
Actually Mrs Lau said she didn't think hiking @ night would be safe so that's out.
2.44 PM

Me too! 😊 It'll be on Lamma Island, right?
Do you guys know the exact name of the campsite?
2.32 PM

Have you guys checked out what we can do there?
2.34 PM

Fab! What else?
